SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — Intelesis Technologies Corp.* San Diego, Calif., is being awarded a \$6,135,507 indefinite-delivery/indefinite-quantity contract with a cost-plus-fixed-fee pricing arrangement for engineering support services for advanced command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR), and information technology systems engineering. This two-year contract includes one three-year option, which if exercised, would bring the cumulative value of this contract to \$16,177,426. Work will be performed in San Diego, Calif., and is expected to be completed by March 2007. Contract funds will not expire at the end of the current fiscal year. This contract was a competitive, best value, 100% small business set-aside procurement, which was advertised through the Commerce Business Daily's website, FedBizOps, and the SPAWAR e-Commerce Central website, with four offers received. The Space and Naval Warfare Systems Center, San Diego, Calif., is the contracting activity for the contract (N66001-05-D-5028).

**Intelesis Technologies Corporation is a small business.*
